

## MBT 128055

Article No. 0401102120

Material: ABS

Protection class: IP65

It doesn't always need to be grey!

With our Multi-Colour-Enclosures made of ABS, we offer the possibility of designing the colour of your products and visually upgrading them even for small quantities.

Multi-Colour-Enclosures offer excellent properties for "packaging" electronic and electrical components as well as complete control systems in indoor areas.

Our enclosures can be mechanically processed in a number of ways and there are almost no limits to customised surface design with silk screen printing or membrane keyboards.

We would be glad to assist you!

### MULTI-BOX GmbH

Wallücker Bahndamm 7  
D-32278 Kirchlegern  
Tel. +49 (0)5223 49107-0

info@multi-box.com

The enclosures are available with a coloured or transparent cover (K).

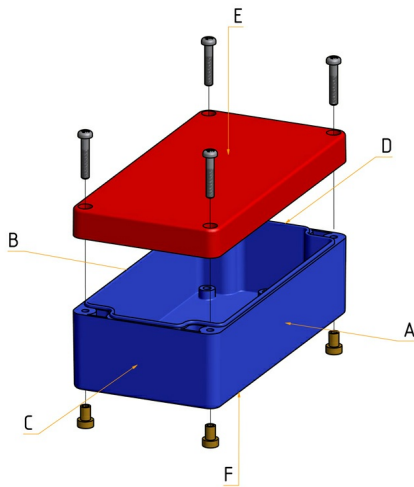

### Dimensions and weight

|             |     |
|-------------|-----|
| Length (mm) | 120 |
| Width (mm)  | 80  |
| Height (mm) | 55  |

### Color information

|                         |               |
|-------------------------|---------------|
| Color description cover | Signal yellow |
| RAL-code cover          | 1023          |
| Color description base  | Signal yellow |
| RAL-code base           | 1023          |

We would be glad to assist you!
