Air-tight O-range ECON® Flex electronics box with ECON® technology for energy-efficient electrical installation in accordance with EnEV and for installation under clean room or enhanced hygiene conditions. Fast installation is ideal for modernising or extending existing systems. The flexible tunnel makes it easy to install, and creates space for electronic components, cable reserves and terminals.

- Additional sideway terminal compartment for communications and network technology
- Elastic sealing membrane for guaranteed air-tightness
- Tool-free cable and conduit entry
- Integrated cable retention
- Can be combined with support connectors, air-tight and fully-insulated
